### Ground Rules

- Please be aware of the Order of Events – this is posted. Please be ready when you are called for your event. Please be aware of the Time Limits for each event – this is posted. **3 calls and you will be TURNED OUT.**
- Contestants are encouraged and asked to participate in the Grand Entry. It starts right at 7:50 AM.
- **Safety Rule:** Contestants may not be tied, strapped down, or otherwise secured to the horse at any time.
- All Goat Tying Division and Midget Division – Wooley Riding – *for safety reasons* – Contestants in this event **MAY NOT** wear spurs. Violation of said rule will result in a disqualification.
- The designated alleyways for entering the arena and exiting the arena will be utilized for the Barrels.
- Lead lining will incur a ten (10) second penalty.
- Circling horse before a run or causing unnecessary delay before event or beginning pattern; intentionally knocking off hat with hand; and not being ready when called will be cause for disqualification. As a general reminder and courtesy for this rodeo since we have a high number of contestants, we would like to recommend that you tie your hat down, pull them down harder than usual, etc., so they will not fall off so easily, we ask this because we would expedite the rodeo to the best of our ability. Thank you.
- Flag Racing: If a contestant misses a flag, the horse must continue turning in the same direction before proceeding. Circling the horse prior to beginning the run is not permitted.
- Rakes will be every 7 runners.
- Rough Stock: Mandatory – protective vest, helmet and mouthpiece.
- **DRESS CODE WILL BE ENFORCED, THIS INCLUDES HELPERS.**
- The committee will draw stock for the following events – WR. Rest of Stock is chute run.
- Breakaway strings can be picked up from the Arena Director, a reminder, to remove all old strings from your rope when tying on the new one. No Tails are allowed in the breakaway roping.
- Goat tying, if the contestant's horse crosses over the goat or rope, or if the contestant's horse comes in contact with the goat or rope at any time, a five second penalty will be assessed.
- If you need clarification, please contact the judges or the Arena Director. The Rodeo Committee will not tolerate unsportsmanlike conduct or inhumane treatment of animals.
- Judges will have the final ruling.
- Junior Coed and Senior Boys Team Roping must stay in their respective divisions. You must rope with another contestant in your division. Senior Girls Team Roping can pick their partner who must also be a contestant.
- The Rodeo Committee will utilize a points system with placing from 10 for 1<sup>st</sup> place and so forth to 1 point for 10<sup>th</sup> place for the all-around standings. If there is a tie, the winner will be determined by a flip of a coin.
- There will be no refunds unless you submit a Doctor's statement or Vet release by 5pm prior to performance; administrative fee is not refundable.
- Awards to Event Winners, Division All Arounds and Overall High Money Winners. 100% Payback. The High-Money All-Around Cowboy and Cowgirl will be determined based on total earnings from all events entered. In team roping, only the highest placing run will count toward all-around standings if a contestant enters twice.
- Contestants **MUST** be the age as of July 1, 2025.
- Roping events are catch as catch can.
- Ribbon roping roper must have hands on calf before the ribbon is pulled by the runner.
